Within five (5) business days following written request by Core, McCarthy shall from time to time until the McCarthy Note has been paid in full, deliver to Core and record in the real property records in Denton County, Texas, a partial lien waiver and release, in form and substance reasonably acceptable to Core, of the McCarthy Lien, decreasing the amount of the McCarthy Lien to an amount not to exceed the then outstanding principal amount of the McCarthy Note.

c) Within five (5) business days following payment in full of the McCarthy Note, McCarthy shall deliver to Core and record in the real property records in Denton County, Texas, a final unconditional lien waiver and release of the McCarthy Lien and the Humphrey Lien, each in form and substance reasonably acceptable to Core, for all work performed on the Project or at the Property and all goods, labor, and materials supplied to, for or in connection with the Debtors or the Project or the Property, duly executed by McCarthy or Humphrey, as applicable, and in recordable form, which lien waivers shall provide for the release of the McCarthy Lien and the Humphrey Lien.

iv. Standstill of Lien Enforcement; Statutes of Limitation.

1) Unless and until an Event of Default (as defined in the McCarthy Note) occurs, McCarthy shall not foreclose or otherwise enforce or seek to enforce the McCarthy Lien or otherwise take adverse action against the Debtors or any of the Debtors' assets. Unless and until an Event of Default (as defined herein) occurs, the Subcontractors shall be stayed from, and McCarthy shall cause the Subcontractors not to, foreclose or otherwise enforce or seek to enforce the Subcontractor Liens or otherwise take adverse action against the Debtors or any of the Debtors' assets.

2) Unless and until an Event of Default (as defined in the Humphrey note) occurs, Humphrey shall be not foreclose or otherwise enforce or seek to enforce the Humphrey Lien or otherwise take adverse action against the Debtors or any of the Debtors' assets. Unless and until an Event of Default (as defined herein) occurs, Humphrey's subcontractors and suppliers shall be stayed from, and Humphrey shall cause its subcontractors and suppliers not to, foreclose or otherwise enforce or seek to enforce any liens that they might have impressed against the Property for all work performed on the Project or at the Property and all goods, labor and materials supplied to, for or in connection with the Debtors or the Project or the Property or otherwise take adverse action against the Debtors or any of the Debtors' assets.

3) With respect to the enforcement of the Humphrey Lien and the McCarthy Lien, Core agrees that any applicable statutes of limitation applicable to the

Humphrey Lien or the McCarthy Lien, as applicable, shall be tolled from the Emergence Date until (a) with respect to the Humphrey Lien, the date on which an Event of Default (as defined in the Humphrey Note), if any, occurs and (b) with respect to the McCarthy Lien, the date on which an Event of Default (as defined in the McCarthy Note), if any, occurs. With respect to the enforcement of any Liens held by the Subcontractors (other than Humphrey), Core agrees that any applicable statutes of limitation applicable to such Liens shall be tolled from the Emergence Date until the date on which an Event of Default (as defined herein), if any, occurs.

4) As used herein, an “Event of Default” shall be deemed to have occurred if Core breaches or defaults in the performance of any obligation of Core contained in this Agreement if such failure shall remain uncured for sixty (60) days following delivery of written notice to Core by McCarthy or Humphrey.

d. Assumption of Construction Contract. The Approval Order shall provide that the Construction Contract (including all Contract Documents), as amended by Change Order No. 5 (as defined herein), is assumed by Core pursuant to 11 U.S.C. § 365. From and after the entry of the Approval Order, Core and McCarthy shall perform under the Construction Contract (including all Contract Documents and Change Order No. 5), in accordance with the terms of the Construction Contract (including all Contract Documents and Change Order No. 5), and the Construction Contract (including all Contract Documents and Change Order No. 5) shall remain in full force and effect, except to the extent expressly modified by this Agreement. All cure costs to be paid in connection with the assumption of the Construction Contract (including all Contract Documents) are deemed satisfied in full in accordance with this Agreement.

e. Modifications to Construction Contract and Change Order. Within one (1) business day following the Bankruptcy Court’s entry of the Approval Order, Core and McCarthy shall execute and enter into a Change Order No. 5 and Fourth Modification of GMP in the form attached hereto as Exhibit D (the “Change Order No. 5”), which shall provide, among other things, that (i) unless Core delivers the A&B Notice to Proceed or the F&G Notice to Proceed to McCarthy, Core shall have no further obligations under the Construction Contract and (ii) Core shall have the option, but not the obligation, (A) exercisable by delivery of the A&B Notice to Proceed, to build-out the A&B-South Parcel and (B) exercisable by delivery of the F&G Notice to Proceed, to build-out the F&G-North Parcel, in each case subject to the terms of the Construction Contract (including all Contract Documents and Change Order No. 5).

i. Notices to Proceed and Escrowed Funds:

1) Promptly following delivery of the A&B Notice to Proceed, Core, McCarthy and an escrow agent mutually acceptable to Core and McCarthy (“Escrow Agent”) shall enter into an escrow agreement (the “A&B Escrow Agreement”) which shall (A) provide that Core shall deposit with Escrow Agent \$1,000,000.00 (the “A&B-South Parcel Deposit”) for the purpose of finishing the A&B-South Parcel and (B) otherwise be substantially similar to the Escrow Agreement, in form and substance, with such changes as are requested by Escrow Agent and reasonably agreed to by Core and McCarthy. Core and McCarthy acknowledge and agree that (I) the amount of the A&B-South Parcel Deposit is based upon McCarthy’s good faith estimate of the cost to complete the construction of the A&B-South Parcel, (II) the A&B Escrow Agreement shall provide that in the event that the actual cost to complete the construction

of the A&B-South Parcel is less than the amount of the A&B-South Parcel Deposit, any excess funds remaining in the escrow account shall be promptly returned to Core and (III) in the event that the A&B-South Parcel Deposit is insufficient to complete the construction on the A&B-South Parcel, Core shall promptly remit payment to McCarthy on account of invoices in excess of the A&B-South Parcel Deposit in accordance with the terms set forth in the Construction Contract.

2) Within twenty-one (21) days following written request by Core, McCarthy shall deliver a notice (the “F&G Cost Estimate Notice”) to Core setting forth McCarthy’s good faith estimate of the cost to complete the construction of the F&G-North Parcel (the “F&G Deposit Amount”). In the event that Core thereafter delivers the F&G Notice to Proceed, then, promptly following receipt of the F&G Cost Estimate Notice, Core, McCarthy and Escrow Agent shall enter into an escrow agreement (the “F&G Escrow Agreement”) which shall (A) provide that Core shall deposit with Escrow Agent the F&G Deposit Amount (the “F&G-North Parcel Deposit”) for the purpose of finishing the F&G North Parcel and (B) otherwise be substantially similar to the Escrow Agreement, in form and substance, with such changes as are requested by Escrow Agent and reasonably agreed to by Core and McCarthy. Core and McCarthy acknowledge and agree that (I) the amount of the F&G-North Parcel Deposit is based upon McCarthy’s good faith estimate of the cost to complete the construction of the F&G-North Parcel, (II) the F&G Escrow Agreement shall provide that in the event that the actual cost to complete the construction of the F&G-North Parcel is less than the amount of the F&G-North Parcel Deposit, any excess funds remaining in the escrow account shall be promptly returned to Core and (III) in the event that the F&G-North Parcel Deposit is insufficient to complete the construction on the F&G-North Parcel, Core shall promptly remit payment to McCarthy on account of invoices in excess of the F&G-North Parcel Deposit in accordance with the terms set forth in the Construction Contract (including all Contract Documents and Change Order No. 5).

ii. Commencement of Work: Following the delivery of the A&B Notice to Proceed and/or the F&G Notice to Proceed, McCarthy shall commence work on the A&B-South Parcel or the F&G-North Parcel, as applicable, within 30 days following the date on which each of the following conditions has been satisfied:

1) Core pays the McCarthy Cash Payment to McCarthy;

2) Core pays the Humphrey Cash Payment to Humphrey;

3) Core pays the Humphrey Note in full, inclusive of all interest accrued thereunder;

4) Core pays, or is deemed to have paid, in each case, pursuant to the terms of the McCarthy Note, the McCarthy Note in full, inclusive of all interest accrued thereunder;

5) In the event that Core delivers (A) the A&B Notice to Proceed, the A&B-South Parcel Deposit has been deposited with Escrow Agent pursuant to the A&B Escrow Agreement and (B) the F&G Notice to Proceed, the F&G-North Parcel Deposit has been deposited with Escrow Agent pursuant to the F&G Escrow Agreement.

iii. No Representation as to Costs to Complete.

1) Core acknowledges that McCarthy's estimate for the A&B-South Parcel Deposit and any other cost and timing estimates provided in the course of negotiating this Agreement, including with respect to the F&G-North Parcel Deposit, contemplate commencement of work on both the A&B-South Parcel and the F&G-North Parcel in early 2024. Core further acknowledges that if the A&B Notice to Proceed is issued after March 31, 2024 or the F&G Notice to Proceed is issued after March 31, 2025, then additional market conditions, (*e.g.*, at least three separate large projects in the Dallas-Fort Worth area) may impact costs and schedules due to the availability of subcontractors to complete the work and that the Guaranteed Maximum Prices for such work set forth in Change Order No. 5 may increase.

2) Core acknowledges that if Core delivers the A&B Notice to Proceed and the F&G Notice to Proceed at different times, additional costs may be incurred related to, among other things, the need for two different mobilizations and the decreased ability to share general conditions, supervision, and labor between the A&B-South Parcel and the F&G-North Parcel.

No failure on the part of any party hereto to exercise, and no delay in exercising, any right, power or remedy hereunder or otherwise shall operate as a waiver thereof nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

SECURED PROMISSORY NOTE

Date of Issuance:

Principal Amount: \$1,407,204.21

FOR VALUE RECEIVED, Core Scientific Operating Company (f/k/a Core Scientific, Inc.), a Delaware corporation (the “Issuer”), hereby unconditionally promises to pay to the order of Humphrey & Associates, Inc. (the “Payee”) the principal amount of \$1,407,204.21 (the “Principal Amount”), together with interest thereon calculated from the Initial Payment Date in accordance with the provisions of this Promissory Note (this “Note”). Capitalized terms used but not defined herein shall have the meanings set forth on Schedule A hereto.

NOW, THEREFORE, in consideration of the covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Interest. Commencing on the Initial Payment Date, interest shall accrue at a rate equal to five percent (5.00%) per annum (computed on the basis of a 365-day year and the actual number of days elapsed in any year), compounded monthly, on the unpaid Principal Amount outstanding from time to time hereunder. In the event any interest is paid on this Note which is deemed to be in excess of the then legal maximum rate, then that portion of the interest payment representing an amount in excess of the then legal maximum rate shall be deemed a payment of principal and applied against the principal of this Note (or, if this Note has been paid in full, refunded to the Issuer).

2. Payment of Principal Amount.

(a) Monthly Payments. Commencing on the Initial Payment Date and ending on the earlier of the date this Note is paid in full or the Stated Maturity Date, the Issuer shall pay the Monthly Payment Amount to the Payee on the Monthly Payment Date of each month.

(b) Maturity Date. Subject to Section 7, the Issuer shall pay the outstanding Principal Amount (together with all accrued and unpaid interest with respect thereto and all other amounts due by the Issuer hereunder) (collectively, the “Obligations”), in cash on the earliest to occur of (i) the Stated Maturity Date and (ii) the exercise of remedies under Section 7(b) (such date, the “Maturity Date”).

(c) Mandatory Prepayments. Within one (1) business day following the earlier to occur of (i) delivery by Issuer to Payee of the A&B Notice to Proceed (as defined in the Settlement Agreement) in accordance with the terms of the Settlement Agreement or (ii) delivery by Issuer to Payee of the F&G Notice to Proceed (as defined in the Settlement Agreement) in accordance with the terms of the Settlement Agreement, the Issuer shall be required to prepay in whole, without premium or penalty, all of the accrued but unpaid interest on, and all of the outstanding principal balance of, the Principal Amount.

(d) Voluntary Prepayments. The Issuer may, at any time and from time to time without premium or penalty, prepay in whole or in part, the accrued but unpaid interest on, and the outstanding principal balance of, the Principal Amount.

(e) Each voluntary or mandatory prepayment of this Note shall be applied in inverse order of maturity and shall not extend or postpone the due dates of the monthly installments due under this Note, change the amounts of such installments, nor change the application of payment priority under Section 3(c), until this Note is paid in full.

3. Payments and Computations.

(a) All payments to be made to the Payee shall be made in the lawful money of the United States of America in immediately available funds and without notice, demand, set-off or deduction.

(b) The Issuer shall make each payment hereunder not later than 5:00 P.M. (Central Time) on the day when due in U.S. Dollars to the Payee in immediately available funds. Whenever any payment shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest hereunder.

(c) Each payment made by or on behalf of the Issuer to the Payee hereunder shall be applied in the following order of priority: (i) first, to accrued and unpaid interest, (ii) second, to any other amounts (other than principal or interest) payable hereunder as designated by the Payee, and (iii) third, to reduce the Principal Amount.

4. Security; Guaranty. As of the date hereof, the Payee is the lienholder of the M&M Lien encumbering the Collateral in an amount equal to the lesser of (i) the Principal Amount, (ii) the then outstanding Principal Amount due (or deemed to be due) under this Note, and (iii) the amount of the M&M Lien allowed pursuant to the Settlement Order. The M&M Lien secures the repayment of the Obligations on the terms and subject to the conditions set forth in this Note.

5. Recourse. The Payee's recourse against the Issuer with respect to the obligations shall not be limited to a foreclosure of the Collateral. The Issuer shall remain liable for payment under this Note and the Payee shall have recourse to, and the right to proceed against, the Issuer for an amount equal to 100% of the entire Obligations payable to the Payee hereunder.

6. Representations and Warranties of the Issuer. The Issuer hereby represents and warrants, as of the date hereof, as follows:

(a) The Issuer is a duly organized and validly existing corporation, in good standing under the laws of the jurisdiction of its organization and has the corporate power and authority to own its property and assets and to transact the business in which it is engaged.

(b) The Issuer has full capacity, right, power and authority to execute, deliver and perform this Note, and all required action and approvals therefor have been duly taken and obtained. The individual signing this Note and all other documents executed or to be executed pursuant hereto on behalf of the Issuer are and shall be duly authorized to sign the same on the Issuer's behalf and to bind the Issuer thereto.

7. Events of Default.

(a) An “Event of Default” shall be deemed to have occurred if any of the following events occur:

- (iii) the Issuer breaches or defaults in the performance of any obligation of the Issuer contained in this Note if such failure shall remain uncured for sixty (60) days following delivery of written notice to the Issuer by the Payee.

(b) Consequences of Events of Default. If an Event of Default of the type described in Section 7(a)(ii) has occurred, all of the outstanding Obligations shall be immediately due and payable in full. In addition, upon the occurrence of any Event of Default, the Payee shall have, in addition to all other rights and remedies granted to the Payee under this Note, all of the other rights and remedies provided by applicable law, under the M&M Lien or in equity. All such rights and remedies shall be cumulative and not as an alternative.

(c) Exercise of Remedies. Unless and until an Event of Default occurs, the Payee shall be barred from foreclosing or otherwise enforcing or seeking to enforce the M&M Lien or otherwise taking adverse action against the Issuer or any of the Issuer’s assets.

8. Replacement. Upon receipt of evidence reasonably satisfactory to the Issuer of the loss, theft, destruction or mutilation of this Note and, in the case of any such loss, theft or destruction of this Note, upon receipt of an indemnity reasonably satisfactory to the Issuer or, in the case of any such mutilation, upon the surrender and cancellation of this Note, the Issuer at its expense, shall execute and deliver, in lieu thereof, a new Note of like tenor and dated as of the date hereof. Any Note in lieu of which any such new Note has been so executed and delivered by the Issuer shall not be deemed to be an outstanding Note. No such substitution shall constitute payment of such lost or mutilated Note.

9. Miscellaneous.

(a) Specific Performance. The parties hereto agree that irreparable damage would occur if any of the provisions of this Note were not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Note and to enforce specifically the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity.

(b) Governing Law. This Note, and all claims or causes of action based upon, arising out of, or related to this Note or the transactions contemplated hereby, shall be exclusively governed by, and construed in accordance with, the laws of the State of Texas, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of laws of another jurisdiction.

(c) WAIVER OF JURY TRIAL. EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS NOTE, OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (IV) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS NOTE BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9(C).

(d) Venue. Any suit, action or proceeding arising out of or related to this Note must be brought in any state or federal court in the County of Harris in the State of Texas or state appellate court therefrom within the State of Texas and all parties submit to the jurisdiction of such court. The parties irrevocably waive, to the fullest extent permitted by law, any objection the party may have to the laying of venue for any such suit, action or proceeding brought in such court. If any one or more provisions of this Section 9(d) are for any reason held invalid or unenforceable, it is the specific intent of the parties that such provisions be modified to the minimum extent necessary to make it or its application valid and enforceable.

(e) Counterparts. This Note may be executed in two (2) or more counterparts, each of which shall be deemed an original but all of which together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties hereto and delivered to the other parties, it being understood that all parties need not sign the same counterpart. This Note may be executed and delivered by facsimile transmission, by electronic mail in "portable document format" ("pdf") form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by combination of such means.

(f) Severability. Any term or provision of this Note that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions of this Note or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Note is invalid or unenforceable, the parties hereto agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Note shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the parties hereto agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

(g) Waiver. No delay or omission on the part of any party to this Note in exercising any right, power or remedy provided by law or provided hereunder shall impair such right, power or remedy or operate as a waiver thereof. The single or partial exercise of any right, power or remedy provided by applicable law or provided hereunder shall not preclude any other or further exercise of any other right,

power or remedy. The rights, powers and remedies provided hereunder are cumulative and are not exclusive of any rights, powers and remedies provided by applicable law. The Issuer for itself and its heirs, legal representatives, successors and assigns, respectively, severally waives, to the extent not prohibited by applicable law, (a) all presentments, demands for performance, notices of nonperformance (except to the extent, if any, required by the provisions hereof), protests, notices of protest and notices of dishonor, (b) any requirement of diligence or promptness on the part of the Payee in the enforcement of its and their rights under this Note, (c) all notices of every kind that may be required to be given by any statute or rule of law, (d) any valuation, stay, appraisal or redemption laws and (e) any defense of any kind (other than payment) that the Issuer may now or hereafter have with respect to its liability under this Note, and (e) any right to be released by reason of any extension of time or change in terms of payment or any change, alteration, or release of any security given for the payment hereof.

The use of the word “including” and “includes” in this Note shall be by way of example rather than by limitation.

(i) Successors and Assigns; Subsequent Holders. Neither this Note nor any right or obligation hereunder shall be assigned, delegated, or otherwise transferred (whether voluntarily, by operation of law, by merger, or otherwise) by the Issuer, without the prior written consent of the Payee. The Payee may assign this Note or any right or obligation hereunder to any person or entity without the consent of the Issuer. This Note (together with any amendments, modifications, termination or waivers hereunder) shall be binding upon and shall inure to the benefit of the parties hereto and their respective representatives, heirs, administrators, successors and permitted assigns, as applicable.

(j) No Third Party Beneficiaries. Nothing herein expressed or implied is intended or shall be construed to confer upon or give to any person or entity, other than the Issuer and the Payee and their respective permitted successors and assigns, any rights or remedies under or by reason of this Note.

(k) Attorneys’ Fees. The Issuer shall reimburse the Payee for all costs and reasonable attorneys’ fees incurred by the Payee in pursuing any remedies after an Event of Default relating to the collection of amounts due in connection with this Note.

EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS NOTE, OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (IV) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS NOTE BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10(C).

3. Section 5.2.2.2 of the Agreement is hereby deleted and replaced in its entirety as follows in order to reincorporate the Deferred Work into the Agreement as elective alternates:

“§ 5.2.2.2 Subject to the conditions noted below, the following alternates may be accepted by the Owner following execution of this Agreement. Upon acceptance, the Owner shall issue a Modification to this Agreement.

Alternate One:

Completion of the portion of the Deferred Work to be performed on South Parcel (Buildings A&B) and related sitework and appurtenances required to obtain a Certificate of Occupancy (the “**South Parcel Alternate Work**”). If the Owner properly exercises its election to proceed with the South Parcel Alternate Work as set forth herein, then commencement of the South Parcel Alternate Work shall occur within 30 days following the date on which each of the conditions set forth in Section 2(e)(ii) of the Settlement Agreement have been satisfied. The election to proceed with the South Parcel Alternate Work may be exercised by the delivery of: (1) the A&B Notice to Proceed (as defined in the Settlement Agreement); and (2) an accompanying Change Order that: (a) sets the Guaranteed Maximum Price with respect to the South Parcel Alternate Work at One Million U.S. Dollars (\$1,000,000 USD) (provided that the A&B Notice to Proceed is exercised on or prior to March 31, 2024); (b) establishes the Substantial Completion date as the date of commencement of the South Parcel Alternate Work plus 90 calendar days; and (c) provides that with respect to the South Parcel Alternate Work, Section 2.2.1 of the AIA® Document A201™ – 2017 General Conditions of the Contract for Construction (the “**Conditions of Contract**”) executed with the Agreement shall be deemed to provide:

§ 2.2.1 Prior to commencement of the Work, the Owner shall establish an escrow account and deposit funds therein in the

amount of One Million U.S. Dollars (\$1,000,000 USD). The purpose of the account shall be to secure the Owner's obligations under the Agreement. The Owner shall be fully responsible for the timely payment of all fees assessed by the bank acting as an intermediary in relation to the escrow account. The Contractor shall have no obligation to commence the South Parcel Alternate Work until: (1) an escrow agreement has been entered between the Contractor, the Owner, and a mutually agreeable intermediary bank ("**Intermediary**") substantially in the form attached to the A102-2017 Agreement as Exhibit D; and (2) the Owner has established and funded the escrow account (the "**Escrow Account**") pursuant to such agreement, and the Settlement Agreement. 2. Any stored materials consumed by Core to support ongoing operations must be replaced prior to McCarthy's remobilization at the Project, provided that McCarthy shall create an inventory of all such materials and provide Core any such missing materials pursuant to and in accordance with the Agreement.
3. As the materials have remained on site at the Project during the extended suspension of work, Core's acceptance of McCarthy's work under the Construction Contract will be based on the materials and equipment being functionally new. Minor aesthetic blemishes, including but not limited to surface scaling, oxidation or coating deterioration, will not be the basis for rejection by Core.
4. As the warranty period for the majority of the equipment on site at the Project has expired, all warranty work required under Section 3.5 and 9.8.4 of the Conditions of Contract will be completed on a reimbursable service call basis. However, in the event that there are issues related to latent defects solely due to the work of McCarthy

- or its subcontractors, and not due to the exposure of the site during the work stoppage, such defects will be remedied pursuant to the terms and conditions of the Amended Contract and applicable law.
5. The Contract Documents shall be amended to provide that all work shall be completed on a 40 hour/5 days/week schedule.
 6. McCarthy shall have full unrestricted use of the North Tech building during the duration of construction.

Unless otherwise agreed to by McCarthy in writing, Owner must elect to proceed with the North Parcel Alternate Work on or before July 31, 2025. If the Owner properly exercises its election to proceed with the North Parcel Alternate Work as set forth herein, then, commencement of the North Parcel Alternate Work shall occur within 30 days following the date on which each of the conditions set forth in Section 2(e)(ii) of the Settlement Agreement have been satisfied. The Change Order will provide that with respect to the North Parcel Alternate Work, Section 2.2.1 of the Conditions of Contract executed with the Agreement shall be deemed to provide:

§ 2.2.1 Prior to commencement of the Work, the Owner shall establish an escrow account and deposit funds therein in the amount of the F&G Deposit Amount (as defined in the Settlement Agreement). The purpose of the account shall be to secure the Owner's obligations under the Agreement. The Owner shall be fully responsible for the timely payment of all fees assessed by the bank acting as an intermediary in relation to the escrow account. The Contractor shall have no obligation to commence the North Parcel Alternate Work until: (1) an escrow

agreement has been entered between the Contractor, the Owner, and a mutually agreeable intermediary bank ("**Intermediary**") substantially in the form attached to the A102-2017 Agreement as Exhibit D; and (2) the Owner has established and funded the escrow account (the "**Escrow Account**") pursuant to such agreement and the Contract Documents. If commencement of the North Parcel Alternate Work is delayed under this Section 2.2.1, the Contract Time shall be extended appropriately.

Additionally, the scope added by this alternate is subject to the following conditions and qualifications:

1. All transformers, PDUs and other Owner-Furnished material and equipment shall be on site at the Project no later than 1 month after Core issues its notice to proceed, including replacement of equipment currently onsite which has been determined to be defective.
2. Any stored materials consumed by Core to support ongoing operations must be replaced prior to McCarthy's remobilization at the Project, provided that McCarthy shall create an inventory of all such materials and provide Core any such missing materials pursuant to and in accordance with the Agreement.
3. As the materials have remained on site at the Project during the extended suspension of work, Core's acceptance of McCarthy's work under the Construction Contract will be based on the materials and equipment being functionally new. Minor aesthetic blemishes, including but not limited to surface scaling, oxidation or coating deterioration, will not be the basis for rejection by Core.
4. As the warranty period for the majority of the equipment on site at the Project has expired, all warranty work required under Section 3.5 and 9.8.4 of the Conditions of Contract will be completed on a reimbursable service call basis. However, in the event that there are issues related to latent defects solely due to the work of McCarthy or its subcontractors, and not due to the exposure of the site during the work stoppage, such defects will be remedied pursuant to the terms and conditions of the Amended Contract and applicable law.
5. The Contract Documents shall be amended to provide that all work shall be completed on a 40 hour/5 days/week schedule.
6. McCarthy shall have full unrestricted use of the North Tech building during the duration of construction.

IN WITNESS WHEREOF, each Party has caused this Change Order to be duly executed on its behalf as of the day and year first written above.
